Double-Ended Hook Stitches™

General Information

Many of the products used in this pattern book can be purchased from local craft, fabric and variety stores or from the Annie's Attic Needlecraft Catalog.

These 101 stitch patterns are ideal for creating anything from sweaters to tissue covers, place mats to afghans. All sizes and weights of yarn can be used with this technique.

Once you choose a project and a stitch pattern, the next step is to determine the gauge and hook size to use.

Double-ended hooks come in a variety of sizes, most commonly D through P, and are manufactured in aluminum, plastic and wood mediums. Try all three to determine what feels best to you as you stitch. Comfort plays an important role in the amount of enjoyment in needlearts.

Next, determine the gauge that you will need to accomplish the size of the project you want to make. Hooks with cables added are available for ease in stitching

large projects. If you are making an afghan, determine if you want the stitches to have a closer weave like a fabric, or a more open-weave to the design.

Shown below, and on pages 5-6, you can see four gauge samples, all using pattern #33 from page 42,

and four diverse hook sizes. The same stitch pattern takes on a different texture and look in proportion to the size of the hook used.

Cotton Fleece yarn is provided by Brown Sheep Company Inc., 100662 County Road 16, Mitchell NE 69357.

G double-ended swivel hook with cable.

Gauge: G double-ended hook, 2 shells = $1\frac{1}{4}$ "; 6 pattern rows = 1".

Gauge: L double-ended hook, 2 shells = $1\frac{3}{4}$ "; 4 pattern rows = $\frac{3}{4}$ ".

Gauge: P double-ended hook, 2 shells = $2\frac{3}{4}$ "; 4 pattern rows = $1\frac{1}{2}$ ".

Use the red and green stoppers to help you keep track of when you turn your hook and which end of the hook you work with in any row. As you turn your hook each time, remove the stopper and place it on the opposite end

of the hook. Before you lay your work aside, work until you have loops on hook. Turn hook, place the green stopper on the end of the hook with which you will begin next time, and place the red stopper on the other end.

Red means "Stop" and green means "Go!" When you pick your work up again, you can start right away without having to figure out which end is the beginning. The stoppers also keep your work from sliding off your hook.

Gauge: Crochenit hook, 2 shells = 2½"; 6 pattern rows = 2".

Crochet On the Double

General Instructions

Insert hook in second chain from hook, yarn over and draw through (see photo A), leaving loop on hook,

Holding the double-end hook like a knife makes it easier to use.

To draw up a loop, insert hook in next chain, yarn over and draw through; repeat from * across (see photo B), leaving all loops on hook,

drop color A, turn hook and slide all loops to opposite end of hook (see photo C).

*Each of these loops counts as a stitch and is referred to as a **vertical bar**.*

To **work loops off hook**, with color B, place slip knot on hook (see photo D),

draw slip knot through first loop on hook (see photo E),

Pulling the slip knot through the first loop makes the first stitch of the row.

yarn over, draw through next 2 loops on hook (see photo F),

*When you pull through the 2 loops in this step, you will go through one loop of each color. The stitches you are making in this step are referred to as **Horizontal Bar**.*

to **work remaining loops off hook**, (yarn over, draw through next 2 loops on hook) across, leaving last loop on hook (see photo G), **do not turn**.

You will now have only one loop on your hook. This loop counts as the first vertical bar of the next row. Never turn after working the loops off your hook.

Skip first vertical bar, insert hook under next vertical bar, yarn over and draw up a loop (see photo H),

draw up a loop in each vertical bar across, drop color B (see photo I),

If you have trouble with your loops falling off the hook, cap the unused end with a rubber knit stopper or a piece of cork.

turn and slide all loops to opposite end of hook (see photo J).

To keep your yarn from tangling when you turn, rotate your hook back and forth rather than in a circle.

Pick up color A from row below, yarn over and draw through first loop on hook (see photo K),

This is the same process as in step E, except you are using the yarn from the row below rather than placing a slip knot on the hook.

yarn over, draw through next 2 loops on hook (see photo L);

Remember to go through one loop of each color when working the loops off in this step.

M to **work remaining loops off hook**, (yarn over and draw through next 2 loops on hook) across, leaving last loop on hook, **do not turn** (see photo M).

N Skip first vertical bar, draw up loop in next vertical bar (see photo N), draw up loop in each bar across, drop color A, turn. Slide all loops to opposite end of hook.

Continue alternating colors until ending with color A (or color specified in individual pattern instructions).

O Skip first vertical bar, slip stitch (or use the stitch called for in the individual pattern instructions) across (see photo O). Fasten off.

MATERIALS

- Small amounts 2 colors (A and B) worsted yarn
- H double-ended hook used for photographed block

NOTE

Read General Instructions on page 7 before beginning pattern.

STITCH PATTERN

Row 1: With color A, ch 21 or desired number of sts, pull up lp in second ch from hook, pull up lp in each ch across, turn. (21 lps on hook)

Row 2: With color B, work lps off hook, **do not turn.**

Row 3: Skip first vertical bar, pull up

lp in each vertical bar across, turn.

Row 4: With color A, work lps off hook, **do not turn.**

Row 5: Repeat row 3.

Rows 6-34: Repeat rows 2-5 consecutively, ending with row 2.

Row 35: Ch 1, skip first vertical bar, sl st in each vertical bar across. Fasten off. □□

- ┐ Small amounts 2 colors (A and B) worsted yarn
- ┐ K double-ended hook was used for photographed block

SPECIAL STITCHES

For **sc 1p**, pull up 1p in next bar or st, ch 1.

For **long dc lp (l-dc lp)**, yo, pull 1p in specified st or bar, yo, pull through 2 lps on hook, ch 1

For **cross st**, skip next horizontal bar, l-dc lp in top strand of next **horizontal bar** (see illustration) working around st just

made, l-dc lp in top strand of skipped horizontal bar.

Horizontal Bar

NOTE

Read General Instructions on page 7 before beginning pattern.

STITCH PATTERN

Row 1: With color A, ch 18 or even number of sts, 1p (see *Special Stitches*) in second ch from hook, sc 1p in each ch

across, turn. (18 lps on hook)

Row 2: With color B, work lps off hook, **do not turn**.

Row 3: Ch 1 (counts as first l-dc lp), cr st (see *Special Stitches*) across to last horizontal bar, l-dc lp in top strand of last horizontal bar, turn.

Row 4: With color A, work lps off hook, **do not turn**.

Row 5: Ch 1, skip first vertical bar, sc 1p in top strand of each horizontal bar across, turn.

Rows 6-16: Repeat rows 2-5 consecutively, ending with row 4.

Row 17: Ch 1, skip first vertical bar, sc 1p in top strand of each horizontal bar across. Fasten off.

CROCHET

Double-Ended Hook Stitches

With a technique as lovely and simple as On the Double, it was a foregone conclusion that a reference book of stitch patterns should be produced. Included are closely woven stitch patterns to the more open and lacy Crochenit[®] stitches. A photograph of each side of the swatch demonstrates which stitches work best for reversible designs. All you need to determine is whether to make a dishcloth, place mat, afghan or a wearable garment.
